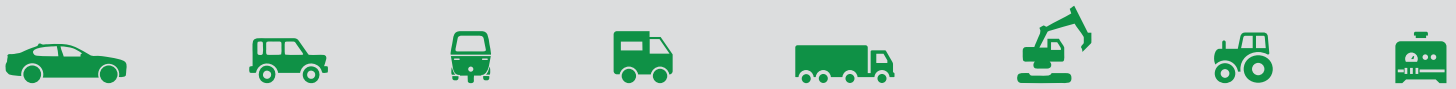
OKAYA®

Chalti Rahe Yeh Zindagi

FITMENT HANDBOOK



COMPANY OVERVIEW

"OKAYA" a continuous legacy, is part of over 3000 crore turnover OKAYA POWER GROUP, a hallmark of reliability, sustained quality and offering a bouquet of quality products .

We are India's leading battery manufacturing company in automotive, tubular (inverter & solar battery) E-Rickshaw and SMF categories, supported with one of the largest channel network and service set-up all accross the country.

Our superior quality products have their footprint in over 50 countries worldwide. OKAYA automotive batteries are offered with state of the art technology driven features like EMT for grid, active material with calcium & silver for a superlative maintenance free battery experience .
